 We use
 American Seed
 Trade Association
 Telegraph Code.

TO THE TRADE:

Below please find a list of surplus stocks which we have on hand today. Of some varieties we have large surpluses, of others small. We beg to offer them at the prices attached, f. o. b. Jackson, bags extra at value, terms net cash, subject to being unsold. The stock is choice, and most of what we are offering is of our own Michigan growth.

Please note that we have made our prices low, considering the quality of stock. These prices are for lots of five bushels and over, and for five pounds and over. For less quantities, prices slightly higher. Can make rush shipment when same is requested. Will be glad to submit samples on application.

Hoping to have your orders, which shall be appreciated and have our prompt attention, we are,

Yours very truly,

S. M. ISBELL & CO.

When Ordering from this List, mention Date of same.

Monarch White Rice	per lb.	3 1/2
--------------------	---------	-------

CUCUMBER

We are extensive growers of cucumber. All stock below is Michigan grown under our supervision. We grow for many well-known firms. Anyone in need of any special selected stock for planting purposes should correspond with us, as we have stock seed of some varieties in excess of our own requirements, which is especially choice. On a few varieties we have quite a surplus. Anyone in the market for a quantity will do well to correspond with us.

LETTUCE

Boston Market	"	22
Early Curled Simpson	"	22
Improved Hanson	"	25
Prizehead	"	25

MUSKMELON

Our stock of the varieties below marked "Extra Select," was taken from melons which were carefully selected from crops grown from stock seed, which has been bred up by several years of special selection. The melons were almost absolutely perfect. We could unhesitatingly recommend the stock to anyone wishing choice stock seed, as no better strain can be offered by anyone.

Extra Early Hackensack	per lb.	35
Emerald Gem	"	60
Extra Early Citron (extra select)	"	50
Montreal Market	"	50
